Private Jet Charter

International Air Charter

Always... first for Aircraft Charter

With 17 years in the aviation business we are now one of the largest independent aircraft charter brokers in the world, client driven and focused in providing a first class service.

Being in the right place at the right time is one of the best-kept secrets of corporate business across the globe.

And in this increasingly fast paced world, there's a definite difference between just traveling and traveling in style and on time.. Chief Executives, Heads of State, Governments and Celebrities have all chartered some of the worlds most luxurious VIP aircraft through us.

With our unique CATS software, **International Air Charter** offer an incomparable range of aircraft for charter worldwide and in a matter of minutes can locate by type, size or location the most suitable aircraft at the most competitive rates.

This pro-active approach to technological development has made us the number one broker for private aircraft sourcing ability, and established us as a leader in the business aviation industry.

French Riviera luxury villas and apartments for sale

Gruppo De Angelis

The Company "De Angelis Group" started its activity in the first years of '900 with the creation of newly built residential areas with offices, apartment houses and nursing homes.

The technical care, the choice of the materials and the deep attention to the planning and to the making of the different types of buildings, has given an unmistakable look to the works made by "De Angelis Group".

At present "De Angelis Group" is making important works in the French Riviera (Côte d'Azur) and in Rome (Italy), where other important brickworks are being made, some of them already finished, some others ready to be delivered in a while.
