Luxury Hotels

Chateau d'Eza

The recently renovated hotel Chateau Eza enjoys **an enchanting location** in the village of Eze **near Monaco on the French Riviera**, offering **the highest standard of comfort** in a quiet and cozy environment. The hotel is housed in a **castle of stone** on a narrow cobblestone street, too small to be reached by car. Upon your arrival look for the Relais which houses our donkeys at the bottom of the village, our valet will park your car and show you the way. The walk (light hike) up through this village full of history, is the best way to discover its charm and secrets. A "most excellent European waterside location" as it gave it its "Johansens Conde Nast Europe 2004 winner of the Best European Waterside Location" award. Today, Château Eza belongs to The Franklyn Hotels. It is also the site of an award-winning restaurant where our chef's culinary delights are rivalled only by the stunning panoramic views. The hotel is closed from mid-November to mid-December.

Hotel Le Saint Paul

The Hotel Le Saint-Paul wedged in among other medieval buildings **in the heart of the village** is located on Rue Grande. The first stone of the Hotel was laid in 1511 and, at various times in Saint Paul's turbulent history, it functioned as a hospital, and as a church. In the 16th century clandestine groups used it as a secret gathering place. It became then a private residence and was converted to a Saint Paul de Vence 4 star hotel in 1989, **the only one luxury hotel situated inside the walls of Saint-Paul-de-Vence**, 15 km from the Nice International Airport. Le Saint-Paul owned by the Italian Hotel Group "Baglioni Hotels" is became **a member of Relais & Chateaux in 1992** .
