French Riviera Luxury hotel

Hotel Grande Bastide Saint Paul de Vence

The hotel „La Grande Bastide“ is located in a 18th century country house just outside the famous village of St-Paul-de-Vence.

The house was renovated with **traditional materials like stone and wood**, which **combined with modern design**, blends well.

The building has solid, stone walls on one side and pale pink-washed walls with green shutters on the other, and it set in an oasis-like garden filled with **a smart swimming-pool** and two sun terraces, where a copious breakfast and light snacks are served. Breakfast could also be taken in the room or on the balcony.

The spacious pool house, tastefully equipped with happy mix of furnishing with comfortably sofas in front of an open fire, is certainly an excellent spot for having an apéritif.
